April 17-24, 2021

Sign up now to Dive & Explore Grenada ~ the Island of Spice! ~ with Y-kiki instructors, Jeff & Stacey Mormol

Not since 1983 when Ronald Reagan sent 7000 troops to liberate Grenada has there been an invasion of the magnitude that will occur when Y-Kiki Divers and the Mormols invade Grenada April 2021. Known for their high energy and desire to teach, you will not only have a blast but return to St. Louis a more confident diver. Want to see some real wrecks, not those intentionally sunken vessels?! Due to its location on various shipping routes, Grenada is blessed with a plethora of shipwrecks that were the result of maritime accidents, and now provide underwater playgrounds for divers and protective habitats for marine life.
