Sail & Dive The Bahamas

Sailing from Miami, the 3-masted schooner *Juliet* visits top dive sites off the beaten path weaving her way through the beautiful waters of the Bahama out islands. This 104' sailing vessel was built for comfort and convenience. Juliet features six staterooms richly appointed in exotic hardwoods. Each room includes independent air-conditioning, a sink, at least one porthole, reading lamps and ample closet space. Juliet includes two full bathrooms with private shower and toilet areas and one half bath. The lavishly appointed Main Salon comfortably seats 12 with panoramic views of the surrounding waters and has a complete entertainment center. Above deck you will find an expansive sundeck with lounge chairs, a crow's nest in which you can take a watch, 12 tank stations with large private gear holds where tanks are immediately refilled, and a top side shower with hot water.
