

Maldives ~ Emperor Explorer Deep South & Southern Shark Itinerary Feb. 20 - Feb. 27, 2022

We picked the best time of year to sail to the southerly Maldivian atolls and dive into the shark action in these out-of-the-way southern dive sites between Huvadho and Addu (Seenu) Atolls. We will spend a week diving the channels of Foammulah and Huvadho on the lookout for the Indian Ocean's larger residents; tiger sharks, silver tips, grey reef sharks, whale sharks and many, many more. The Deep South is both the best for shark variety and action but also the most challenging route in the Maldives.
