

NICK TROUBETZKOY'S ANSE CHASTANET ST. LUCIA

April 17-24, 2021

Architect/owner Nick Troubetzkoy created a sprawling estate that encompasses 600 lush tropical acres bordering two soft sand beaches. Not only do you get a World Heritage Site anchored by the twin peaks on land, the resort's two crystal-clear bays are part of a designated marine reserve protecting miles of colorful coral reefs teeming with tropical fish. Rooms feature views of the iconic Twin Pitons! Sign up now to dive & explore St. Lucia with Y-kiki instructors, Jeff & Stacey Mormol. Known for their high energy and desire to teach, you will not only have a blast but return home a more confident diver. **Note: This resort is situated on a hillside with some stair climbing required or they offer a courtesy shuttle.**
