WHY MISOOL?

Magical Misool has the best diving in the Raja Ampat region, with first dibs on all the area dive sites. Spacious, luxurious, and an attention to detail makes this resort stand out above all. The diving is beyond belief as you will be diving in the sweet spot of the epicenter of marine culture. Spa service, cooking classes, presentations and so many other activities will complete this dream vacation.

Your vacation dollars are used for good. Local villagers, coral reefs, sharks and recycling are just a few benefiting from your stay. Misool "resharking" program, for one, is increasing the population of leopard sharks in the region. The Misool Manta Project is ensuring protection and long term survival of mantas and their habitat.
